... from the President's desk

Welcome back! I hope everyone had a wonderful break and are raring to go again. Your school reps jumped right back into things with their first meeting of 2010 taking place on the first day back. We also had our first General Meeting of 2010 the same day. The agenda included: Constitution changes and resolutions for STF Spring Council.

Your convention committee is busy at work putting together our March convention. Details will be coming out as soon as they are available.

With the daily stresses we might have in our lives, we need to take time to not take ourselves quite so seriously. The book "Don't Sweat the Small Stuff (and it's all small stuff)" always reminds me that there are many things that can cause us to stress out, break out in a sweat. Hopefully, the following will put a smile on your face and allow you to relax for a moment, take a deep breath and remember that we know how to do our jobs, we have students who appreciate our efforts, and tomorrow is a new day. Enjoy!
