... from the President's desk

Sunshine, snow, rain, melting, freezing. Can you believe this weather? Hopefully you are all surviving the changing season. Playground supervisors have their rubber boots ready, and elementary schools have those spare dry pants ready for the puddle players.

Convention has come and gone and I hope that everyone found something valuable to take with them in the end. There were many interesting sessions and displays. I know by the evaluations that a lot of you took away new ideas, were given food for thought and got a little exercise and wellness all in the same package. Many thanks to everyone who helped make Convention 07 another successful venture.

With the spring thaw comes the STF Spring Council. Please take some time to look through the Information Booklet that was included in your last Bulletin. Check out the issues that will be dealt with by councillors from all over the province. If you have any questions or concerns, please contact your PAATA councillor so that our discussions around the resolutions can include your views. The only way we can properly represent our membership is by you letting us know what you think.

Some of you are turning your thoughts to your upcoming retirement. Our next big event will be our Superannuation Banquet in June. The committee is busy getting everything organized, so watch for upcoming details.

We do our best to keep our membership informed of events and issues regarding our association. It is also up to all of you to keep yourselves informed. Ask questions of your reps; contact your councilor with concerns and remember that you can call the office for any help you might need.
