MAY 2007

... from the President's desk

Spring Council of the STF was held last week. Your councillors were there representing you in discussion of resolutions and voting for the new executive. From Wednesday evening until shortly after lunch on Saturday we debated the resolutions in small group sessions, we discussed the issues informally at coffee, meals and hospitality suites.

In the end we had arrived at an approved asking package for the current round of bargaining. The package should be in the hands of all staff reps very soon. There are 11 dates planned for the bargaining teams to meet and start discussions on our behalf. I would like to thank the councillors for their time and energy on our behalf.

On the home front, year end is a busy time; finishing up curriculum, field trips, concerts, track and field and a zillion other special events that fill year end. This year end might be bitter sweet for our 15 superannuates. They might be revelling in the fact that this is the last year-end they have to deal with or they might be wondering what they will be doing this time next year without the flurry of activity. We wish all of this year's superannuates the best for the year to come.

Please keep in mind the Superannuation Banquet on Wednesday, June 13 at the Marlboro. This is a chance to recognize our colleagues who are moving on to a new phase in their life. Tickets are available from your staff rep.

Now that the nice weather is finally here, enjoy the opportunity to get outdoors (cleaning up the yard), putting away those dark, warm winter duds (am I going to have to shop for new clothes or will everything fit?), beginning plans for summer travel (can we afford to go anywhere, is family descending on you at the lake?). Whatever life brings you, enjoy.
